

# 8 questions that will *organize* any room

1. How many do I have?
2. How many do I use?
3. Does this fit my lifestyle?
4. Could something else I own do the same job?
5. Why am I holding on to this?
6. What is the worst that could happen if I gave this item up?
7. What is the best that could happen if I gave this item up?
8. Is it really worth keeping?

There are no right or wrong answers to any of these questions.  
Organizing is about making systems to simplify your life.  
This is a guide to help you through the process.
